LB 511, 942, 971A, 1351  
LR 325

CLERK: 25 ayes, 0 nays, Mr. President, on the adoption of LR 325.

SPEAKER WITHEM: LR 325 is adopted. I'd like to recognize a guest of the Legislature, also happen to be guests of mine, there are 34 eighth grade students from St. Columbkille School in Papillion, Nebraska in the north balcony, along with them is their sponsor. So if they would stand and the Legislature would recognize them, we'd certainly appreciate it. Items for the record.

CLERK: Mr. President, Judiciary Committee reports LB 1351 to General File with committee amendments attached. A bill, LB 971A by Senator Lindsay appropriates funds to implement LB 971. I have amendments from Senator Coordsen to be printed to LB 942. That's all that I have, Mr. President. (See pages 1061-66 of the Legislative Journal.)

SPEAKER WITHEM: Thank you, Mr. Clerk. We now move to Item 7. Would announce, I don't know how lengthy the debate will be on LB 511. I know that's a bill that is not on the agenda particularly to be read today, but to consider amendments, but we do have scheduled at eleven-thirty a discussion on Senator Crosby's motion to place LB 80 on General File so at a convenient breaking point at around eleven-thirty, Senator Will, we will be moving to that motion. Mr. Clerk.

CLERK: Mr. President, the first motion I have with respect to 511 is by Senator Witek. Senator Witek would move to return the bill for a specific amendment, the amendment found on page 700 of the Legislative Journal.

SPEAKER WITHEM: The question then is the return of LB 511 to Select File for a specific amendment. Senator Witek.

SENATOR WITEK: Would this be the time to discuss the amendment itself or do we make the determination to return to Select File first?

SPEAKER WITHEM: I am not in a position to coach you on debating styles. You are recognized for opening.

SENATOR WITEK: Okay, I just know there was some discussion a few days ago, so I'll go ahead and explain the amendment. The amendment that I have here simply asks to strike, or to add
